

JOB POSTING

Posting Date: October 7, 2020 – October 26, 2020 @ 4:30 pm

The mission of the Cree Women of Eeyou Istchee Association (CWEIA) is to inspire and value Eeyou-Eenou Iskweu through healing, culture and socio-economic development. If you share our values, we would welcome you on our team as our:

Wellness Coordinator

CWEIA is a fast-growing non-profit organization that is carrying out its vision, which includes the implementation of a number of exciting projects for this year and the future. We are looking for a dynamic full-time Wellness Coordinator to:

- Coordinate and implement projects related to domestic and family violence (advocacy and services)
- Coordinate the work of Wellness Agents in the Cree communities
- Provide leadership for activities associated with Dab Eeyou, Nishiyuu and cultural healing
- Liaise with other organizations and services involved in wellness, the environment, education, economic development, social action and health

Why should you apply?

- We offer a good set of benefits to our team members
- We provide opportunities for growth by encouraging initiative and learning
- We count on you to help us develop as an organization
- We will give you a positive work environment, so that you may grow as a person

Qualifications:

- Diploma in a field related to healing, wellness, social work, project or events management, or 2 years of experience in a relevant position
- Fluency in Cree and English; ability to write documents in English
- Fluency in French is an asset
- Ability to travel and to work a flexible schedule (availability for occasional weekends and evenings)

To apply:

- Please send your CV and a presentation letter to Tina Mark-Ottereyes: director@cweia.ca
- Deadline: October 23, 2020 at 4:40
- Contact us if you would like a copy of the full job description

Notes:

- Location of position: Eeyou Istchee
- Priority will be given to candidates eligible under ASD criteria (currently unemployed)
- CWEIA reserves the right to carry out a background check prior to hiring
